

Dear TeacherCon attendee,

Photos from Code.org workshops are commonly posted to social media by other workshop attendees, by workshop facilitators, or even sometimes by Code.org. If you're okay with having your photo taken and shared in this way, please check "YES" in the box below.

If you do not wish to have your photo taken, it is your responsibility to communicate this to your workshop facilitator in advance.

By checking "YES" below, I grant Code.org, its representatives and employees the right to take photographs of me and my personal property during the duration of this and any future professional development workshops provided by Code.org, for the sole purpose of posting to social media and other similar digital marketing. I further acknowledge that participation is voluntary and that neither I or nor Code.org will receive financial compensation of any type associated with the publication of these photographs, and that publication of said photos confers no rights of ownership or royalties whatsoever. I hereby release Code.org, its contractors, its employees and any third parties involved in the creation or publication of Code.org digital marketing, from liability for any claims by me or any third party in connection with my participation.
